It is my privilege to hold the post of Senior Section Captain at Broome Manor Golf Club in what you will agree is a very unusual and testing year, however it has enabled me to select a Charity/local initiative to support with various 'fund raisers' throughout the year.

I have chosen Swindon Young Carers Centre, as they are a local charity who support youngsters aged between 5 – 17yrs who help to look after a family member because they have an illness or disability. They offer, among many other things, a place where these young carers can go and meet up with other children who are in similar circumstances and just to be themselves for a while. This group has been hit particularly hard as the young carers have been home 24/7, not even getting the short break that going to school normally brings.

In advance of this I have set up a Just Giving page with all proceeds raised going to the Young Carers. Please see link below if you wish to donate.

Anyone wishing to donate a raffle prize or golf clubs please contact me or any Senior Committee member, or bring it up on the day.
