ABOUT BROOME MANOR GOLF CLUB

Broome Manor is proud to have been home to six international players, including European Tour Player David Howell who helped secure the Walker Cup in September 1995 and the Ryder Cup in 2004 and 2006.

For those of us who play a little closer to home, many competitions are run throughout the year for all abilities and all sections. The club also plays friendly matches for all handicap levels against other golf clubs in Wiltshire, both home and away.

Broome Manor is fully affiliated to the English and Wiltshire County Golf Union, the English Ladies Golf Association and the Wiltshire Ladies Golf Union.

This means that once you become a member of Broome Manor you'd be eligible to play on other golf courses in Great Britain, as long as you have a handicap.

If you don't have a handicap we can arrange for club members to play with you to sign your score card.

You can also obtain a free Wiltshire Golf Union County Card App or manual card as a member of the club, so you can play at a course in other counties for a reduced fee.

Broome Manor also hosts a range of social events, including new members evenings to introduce you to the club.

So whether you're a novice or an experienced golfer, we look forward to welcoming you.

Note: A match fee is payable in Senior events to cover cost of prizes.
