LADIES HANDICAPS AND COMPETITIONS

HANDICAPS

- a All members must have an understanding of the 'Rules of Golf'.
- b If you are a member of another golf club, you must select one as your 'home' club for handicap purposes.
- c Handicaps will be allotted and altered in accordance with the regulations and procedures of 'The Rules of Handicapping' governed by the R & A and USGA.

COMPETITIONS: ELIGIBILITY & ENTRY

a Eligibility

You are eligible to compete in all Ladies competitions as soon as you have obtained an official handicap index, with the exception of the Club Championship, which has additional requirements stipulated later.

5 Day Members may play in all competitions held on weekdays plus some Match Play events where matches are scheduled by agreement with opponents, who may be 5 or 7 day members. These are currently the Winter League and the QE2 Jubilee Cup in the summer. They may also play in Mixed Matches against other clubs which are scheduled at weekends, the Ladies & Mixed Opens, and by invitation in the Lady Captain's Day.

If you do not have a valid Handicap Index you may play in individual competitions, but will not be able to win a prize. You cannot enter team, pairs and matchplay events.

Handicap restrictions: Some competitions may have an upper handicap limit, this means that anyone with a higher handicap may enter but must play off the maximum for the competition. This information should be on the entry sheet.

b Entry

Entries will open on Master-Scoreboard a few weeks before each competition. Anyone wishing to play after the closing date may be included if there is space, please contact the Member on Duty for the specific event.

COMPETITION RULES

a Withdrawal: If you need to withdraw from a competition after the draw has been made, you must advise the Member on Duty for that competition.

b After playing in a competition, you must submit your gross hole by hole scores (not stableford points) either online or via the touch screen in the clubhouse. You must submit a score for all holes started and use the 'did not play' option for any holes not started.

c Caddies: The Rules of Golf specifically permit a player to use a caddie.

The rule permitting caddies in adult competitions does not apply to junior competitions. Definition: a "caddie" is someone who assists the player in accordance with the Rules, which may include carrying or handling the player's clubs during play.

d Spectators are permitted to follow players, however, they should keep their distance and are advised not to speak to players as this may be deemed as giving advice. Definition: Advice: any counsel or suggestion which could influence a player in determining his or her play, the choice of a club or the method of making a stroke. Penalty is 2 strokes.

LADIES SECTION GOLF & COMPETITIONS

a **Medals, Stablefords and Drawn Events**

Two 18 hole Medals or Stablefords are held every month, 1 on a Tuesday, and 1 at a weekend. Tees are pre-booked and a draw is done for players' convenience, they are not 'Drawn Events'. You are free to book your own tee on the same day for these competitions if you prefer, but if you are in the draw you must not change anything without notifying the member on duty.

There are many other Ladies and Mixed events which are listed in this diary, plus running Eclectic, and Birdie competitions.

Some competitions are designated as Drawn 'D' in the diary, to play in these you must be included in the official draw and play at the time allocated to you.

b **Ladies Club Championship**

To be eligible to play in the Club Championships, Ladies must have played in two individual qualifying competitions at Broome Manor Golf Club in the preceding 9 months with the exception of the defending Club Champion who will always qualify provided that she is still a member of Broome Manor.

The Ladies Club Championship competition takes place over 36 holes played on 1 day, with all entrants completing the first 18 holes. Thereafter, a second 18 hole round is played by competitors who are seven shots or less behind the overall leader. The Club Champion is determined by the best GROSS 36 hole score. There is also a Handicap Prize awarded for the best net score over the first 18 holes.

c **Ladies Monday Golf**

There is Ladies' Monday Golf (except Bank Holidays - when there is a Mixed Event), starting at 10:32, except 6 times a year when the Senior men have an Eclectic and the start will move to 10:00. The Ladies Monday Golf will also move to the 9-hole course once a year on the day of the Senior AM/AM. These are open to all Lady Members, with or without a handicap. A limited number of tees are booked, there is usually the option to play 13 or 18 holes.

These are non-competitive rounds although they may be used for a handicap or eclectic card.

d **Wednesday Mornings on the 9 Hole Course**

There is a game every week (except Bank Holidays). players meet by 09.40 for a 09:52 start.

When it is either a WHS Stableford or Roll-up it is open to all adult Lady Members, at other times it may be restricted to Senior Ladies. See diary for schedule.

e **Winter League and Ladies Section Matchplay events**

See notice board for specific conditions and guidance.

g **Club Competitions**

Several main club competitions throughout the year are open to Lady Members. These are posted on Master-Scoreboard. They are subject to the rules listed under 'General Notes & Information for Members/ Competition Rules/Club Events' earlier in this diary.

PRIZES

- a There are prizes for all Ladies Section competitions.
- b Some prizes are presented immediately after the event, If you enter one of these competitions it is important that you are available for the presentation. It is embarrassing to the Club and offends the Sponsor if a prize winner does not attend.
- c Other prizes are given at Club and Ladies Presentations during the year, you will be notified and urged to attend if you have won a prize.

VETS (Wiltshire County Lady Veterans Golf Association)

Membership is open to Lady Members of Affiliated Golf Clubs who are aged 60 or over by the Autumn meeting of the year. There is an annual fee of £5, which will be collected by the Broom's Manor Representative at the start of the year. Additional fees are payable for each event entered, which usually includes a meal.

The VETS hold a Spring and Autumn event at Wiltshire Clubs and Inter-County home and away matches. Details will be posted on the notice board.

JUNIOR GIRLS

The junior events organised by the club are open to boys and girls. All girls with a valid WHS handicap are also welcome to play in most of the ladies' competitions. Wednesday competitions are sometimes restricted to senior ladies.
